

JOIN CHAMPION ELEMENTARY PTA

Welcome to the 2020-2021 school year. As we all know, parents, family members, community members, business partners, teachers, and staff play a crucial role and must take responsibility for the educational excellence of each student in our school. Such educational excellence can be reached through the joint efforts of both parents and school staff. PTA thrives to make this goal a reality. It is this type of dedication to the students, along with the tremendous support of our parents, will make Champion an outstanding school. We look forward to an exceptional year, and encourage everyone to invest in our students' education by simply joining PTA. Dues are \$5 per person. Together, we can reach educational excellence.

*Please join today. Return the slip below to the school with your dues. **Help us strive for 100% participation from our staff and families.***
